Dear Friend/Community Partner

Since our founding in 1988, Venice Community Housing (VCH) has been proud to partner with local businesses, recognizing that our entire community thrives when we support one another.

We invite you to contribute an in-kind donation, such as a gift certificate, experience, or merchandise, for the online silent auction at VCH's 34th annual Jazz Brunch, taking place on September 27, 2026. Your tax-deductible contribution will not only support our work but also provide you with meaningful visibility for your business, reaching more than 4,000 VCH supporters and stakeholders. All silent auction donors are recognized online, in our event program, on silent auction display signage, and in event-related email communications.

Each year, the Jazz Brunch brings together more than 300 local leaders, business owners, and community members to experience a lively afternoon of champagne brunch, live jazz, and our popular silent auction. Proceeds from the event directly support VCH's work to create permanently affordable housing, advance health and housing-based solutions for unhoused people, promote youth development and education, and build strategic partnerships focused on equity and inclusion across the Westside.

To donate, please notify jazz@vchcorp.org to arrange your contribution or complete the enclosed donation form and send it along with your in-kind gift to:
